NAZARENE MISSIONS INTERNATIONAL

12 January 2022

Eurasia Region

Kosova

The Church of the Nazarene began work in Kosova in 1999. It is currently part of the Central Europe Field on the Eurasia Region. Kosova has a history of conflict with neighboring nations that has left deep psychological, spiritual, and economic scars across the country. Its unemployment rate has been at 25 percent for an extended period. The lack of employment has prompted many to emigrate west for work, leaving their families behind waiting to receive funds from abroad. Christians often face intolerance and intimidation, causing them to feel they have limited freedom to share their faith. The official languages of Kosova are Albanian, Serbian, and English. Kosova has a population of around 1,740,000 individuals.

80 Members

2 Organized Churches

2 Licensed Ministers

PRAYER

- Pray for believers and for pastors' families.
- Pray for a stable and honest government.
- Pray for God's blessing and leading as a final decision on Kosova's status as an independent nation approaches. Pray for a wise solution that will produce widespread peace in the land.
- Pray for hope in the nation. Over the past decades, many have left the country to seek work and better opportunities for their families.
- Pray for the church leaders, pastors, and missionaries in Kosova to have more of God's wisdom, humility, and unity.

PRAISE

- We thank God for the various opportunities for witness within the country of Kosova.
- We thank God for the leaders on the Eurasia Region helping reach Kosova in new ways.
- We thank God for the licensed ministers who are serving the people of Kosova.

NMI SNAPSHOT

Nazarene Compassionate Ministries (NCM)

Nazarene Compassionate Ministries, alongside the local church, assisted in creating a greenhouse project in Kosova. With such a high percentage of land being used for farming, but still being one of the poorest countries in Europe, food availability was something many families struggled with. Through the creation of this project, Nazarene churches helped to build greenhouses as a way of creating food security and to provide income through the sale of produce. This project is fully funded by the local church.
