"We'll Walk With God" . . . More than just a slogan or theme, it is a way of life . . . a vow of dedication. It involves serving Him on the Bethany Nazarene College Educational Zone; going out in weekly services, and representing Holiness Education in various other activities. We have found that there truly is a "JOY in serving the Lord," and walking daily with Him and one another.

In this walk, we've encountered two very special men. They are Dr. Lester L. Dunn and Rev. L. Eugene Plemons. Dr. Dunn providing the best in vocal training and Rev. Plemons giving leadership and inspiration. To these, Dr. Dunn and Rev. Plemons, we dedicate this record as an expression of our appreciation for their labor and support.

We commend this record to you in the sincere hope that "our lives may reflect His love to everyone" and that it shall be an influence, inspiration and blessing upon you, your family, and your friends.

In Christ,
